Requirements for LAC/LAMFT Supervisor Status

One of the most important contributions to the profession is to mentor and guide associate counselors and associate therapists. The professional development and quality of the next generation of clinicians is directly related to the quality of supervision provided by the Board's approved supervisors.

Applicants for Board Approved Supervisor Status must meet the following requirements:

1. Be an LPC and/or LMFT in good standing in Arkansas for at least 3 years;
2. Hold a master's degree in counseling or equivalent;
3. Successfully complete an oral examination with the Board.

Application Process for LAC/LAMFT Approved Supervisor Status

All applicants must complete the following steps.

Step One

Complete/submit the following items to the Board in one envelope (except the official transcript).

1. A Supervisor Status application and \$50.00 application fee
2. The Supervision Agreement checklist (12-item form) for the appropriate supervision license.
3. An official transcript listing a 3 credit hour master's level graduate course in Clinical Supervision which includes a minimum of 18 clock hours of supervised experience in supervision
4. An original Philosophy of Supervision paper
5. A revised Statement of Intent reflecting the applicable supervisor status.
6. Mail application packet to:

**Arkansas Board of Examiners in Counseling
101 E. Capitol, Suite 202
Little Rock, AR 72201**

Step Two

Read the Guidelines for Supervision carefully as these will be reviewed during the oral interview with the Board.

Step Three

The Board will contact you via email when your oral interview is scheduled.
